

... scintillating, fascinating and picturesque.

Memorila

a collection of flash fiction stories

FLASHES OF VICE

VOLUME III

Stories that take you to the edge: a Nairobi of the future that survived a pandemic, why aliens have beef with humans, untold terrorism stories, scars of war, military weapons tests gone wrong, and religious impropriety.

In this collection, Allah confirms that the 72 virgins in heaven are a hoax; aliens are planning to invade Earth; and there is a conspiracy to control the world population through Zika Virus.

The stories take you into the future, aggrandise the present, and take a walk down the annals of history.
